Michael Norman Steward

Housing & Ancillary Services

What do you do at Western, and how long have you worked here?

I am a Front Desk Assistant with Housing and Ancillary Services. I currently work at Saugeen Maitland Hall. I have worked with Housing for about 8 years.

What keeps you engaged when you're not at work?

When I'm not at work I like to spend time with my kids and family. I recently started trying to learn more about cooking and baking bread.

What's been happening in your area?

My area has been very busy through the pandemic. Our work at the front desk can't be performed remotely, so most of us have been on campus throughout the pandemic.

Why did you become a Steward, and why do you think UWOSA is important?

My father was involved with his Union back at McGill University in Quebec. When I started working with Western University I was very happy to become the Steward for my area.

What's the best way for your members to contact you?

The best way for members in my area to contact me is through my e-mail. mnorma4@uwo.ca from September through April. Please contact the UWOSA office at info@uwosa.ca from May – August.
